SUMMARY OF TELEPHONE CALL: Mr. Cladouhos asked about the availability of the invitee list to the Commission's ATV roundtable on May 6, 1997. Mr. Wilson said that he would find out whether this list was publicly available. Mr. Wilson also told Mr. Cladouhos about the mid-year review briefing on April 11 at which the possibility of funding later in fiscal year 1997 was identified by the Executive Director for two purposes: (1) additional in-depth investigations of accidents involving ATV's; and (2) a risk exposure survey. Mr. Cladouhos said that he was aware of the Federal Register notice that had been published identifying the possibility that the Commission would ask the Office of Management and Budget for clearance to conduct such an information gathering program.
