

**Meeting with Flaura Winston  
Children's Hospital of Philadelphia  
Philadelphia, PA  
April 25, 1997**

**Log of Meeting**

**Date of Log Entry:** May 20, 1997

**Source of Log Entry:** Susan Kyle, Ph.D. *AKle*  
Project Manager, CPSC

**Attendees:** Flaura Winston, Children's Hospital of Philadelphia (CHOP)  
Don Schwartz, CHOP  
Bruce Schwartz, CPSC, Philadelphia Office  
Pam Robinson, CPSC, Philadelphia Office  
Susan Kyle, CPSC, Bethesda

**Summary of Meeting**

The design of a study of severe abdominal injuries related to bicycle riding was discussed. It was decided to try to find another hospital to participate in the proposed study so that the number of subjects would be larger. Children's Hospital in Pittsburgh was suggested as a possibility as well as Johns Hopkins Hospital. Questions to be asked of the injured bike rider were discussed, as well as what features of the bicycle to measure, including how to describe handlebar design.
