SUMMARY OF MEETING:

The meeting was requested by BRK Brands, Inc./First Alert in order to discuss the health effects information sought by CPSC staff for the January 23-24, 1996, CO Detector Public Hearing. The representatives for BRK Brands, Inc./First Alert indicated that they had been researching and collecting information about the health effects of CO exposure. They brought several monographs and studies to share with CPSC staff, and they requested that the staff review the material in preparation for the CO Detector Public Hearing.
