

Each year, **90,000** children are treated in emergency departments for unintentional poisonings.

Nearly **40** die.

90% of poison incidents happen at home.

HOW SAFE IS YOUR HOME?

PREVENTING POISONING IS A SIMPLE EQUATION.

You can prevent unintentional child poisonings at home by always resealing child-resistant containers and keeping medicines and household cleaners locked up and out of a child's sight and reach.

Keep the Poison Help Line
1-800-222-1222
nearby in case of a poison emergency.
