Denial letter on Petition CP 97-2, requesting development of a safety standard for shopping carts

DECISION

The Commission voted 2-0 with one abstention to approve a letter to John S. Morse, Ph.D., PE, setting forth the reasons for the Commission's denial of Petition CP 97-2, which Mr. Morse filed requesting development of a safety standard for shopping carts. Chairman Brown and Commissioner Gall voted to approve the letter. Commissioner Moore abstained from voting on the letter because his previous vote on the petition was not to deny the petition.
