**SUMMARY OF MEETING: Representatives from the Johns Hopkins University  
Research & Policy Center came for a courtesy visit and to discuss their work and  
how they could potentially colloborate with the agency. The meeting focused  
mainly on ways in which the CPSC and the University could work together and  
colloborate to address safety issues while at the same time providing experience  
and valuable education to masters students. At the conclusion of the meeting, it**

was agreed that potential collaboration with the university would be something that is further explored over the summer.
