SUBJECT: Meeting with the Chairman's staff and the Technology Industry Council on RILA's proposed safety audit program

DATE OF MEETING: 05/25/10

LOG ENTRY SOURCE: Emily Schwartz

DATE OF LOG ENTRY: July 16, 2010

LOCATION: Room 724, CPSC Headquarters

CPSC ATTENDEE(S): Matt Howare and Rebecca Senhauser

NON-CPSC ATTENDEE(S): Representatives from the Technology Industry Council and Sean Oberle, Product Safety Letter

SUMMARY OF MEETING: The meeting occurred via conference call and the representatives of the Technology Industry Council expressed the concerns of their industry on RILA's proposed safety audit program. They expressed that RILA's program does not apply well to their industry and will increase costs without advancing safety. When asked about their participation in the development of the standard, the representatives of the TIC stated that they were not involved in the development of the initial standard but they hope to be

involved in the more specific guidelines that will apply to their industry.
