BALLOT VOTE due APR 10 2002

The Commission staff is developing the Commission's budget request for fiscal year 2004, which begins on October 1, 2003. The Office of Management and Budget requires all Federal agencies to submit their budget requests 13 months before the beginning of each fiscal year. Establishment of the Commission's agenda and priorities is an essential part of developing the Commission's budget request.

Section 4(j) of the Consumer Product Safety Act requires the Commission to establish an agenda for action under the laws it administers, and, if feasible, priorities for action. The agenda, and any priorities, must be established at least 30 days before the beginning of each fiscal year. Section 4(j) provides further that before establishing its agenda and priorities, the Commission shall conduct a public hearing and provide opportunity for submission of comments.

Attached is a draft Federal Register notice to announce that the Commission will conduct a public hearing on June 6, 2002 to receive oral presentations from interested persons concerning the Commission's agenda and priorities for fiscal year 2004.

The strategic plan can also be obtained from the CPSC website at www.cpssc.gov.

SUPPLEMENTARY INFORMATION: Section 4(j) of the Consumer Product Safety Act (CPSA) (15 U.S.C. 2053(j)) requires the Commission to establish an agenda for action under the laws it administers, and, to the extent feasible, to select priorities for action at least 30 days before the beginning of each fiscal year. Section 4(j) of the CPSA provides further that before establishing its agenda and priorities, the Commission shall conduct a public hearing and provide an opportunity for the submission of comments.

The Office of Management and Budget requires all Federal agencies to submit their budget requests 13 months before the beginning of each fiscal year. The Commission is formulating its budget request for fiscal year 2004, which

begins on October 1, 2003. This budget request must reflect the contents of the agency's strategic plan.

Accordingly, the Commission will conduct a public hearing on June 6, 2002, to receive comments from the public concerning its agenda and priorities for fiscal year 2004. The Commissioners desire to obtain the views of a wide range of interested persons including consumers; manufacturers, importers, distributors, and retailers of consumer products; members of the academic community; consumer advocates; and health and safety officers of state and local governments.

The Commission is charged by Congress with protecting the public from unreasonable risks of injury associated with consumer products. The Commission enforces and administers the Consumer Product Safety Act (15 U.S.C. 2051 et seq.); the Federal Hazardous Substances Act (15 U.S.C. 1261 et seq.); the Flammable Fabrics Act (15 U.S.C. 1191 et seq.); the Poison Prevention Packaging Act (15 U.S.C. 1471 et seq.); and the Refrigerator Safety Act (15 U.S.C. 1211 et seq.). Standards and regulations issued under provisions of those statutes are codified in the Code of Federal Regulations, title 16, chapter II.

While the Commission has broad jurisdiction over products used by consumers, its staff and budget are limited. Section 4(j) of the CPSA expresses Congressional direction to the Commission to establish an agenda for action each fiscal year and, if feasible, to select from

that agenda some of those projects for priority attention. These priorities are reflected in the current strategic plan (revised September 2000).

Persons who desire to make oral presentations at the hearing on June 6, 2002, should call or write Rockelle Hammond, Office of the Secretary, Consumer Product Safety Commission, Washington, D.C. 20207, telephone (301) 504-0800, telefax (301) 504-0127, or e-mail, cpsc-os@cpsc.gov, no later than May 23, 2002. Persons who desire a copy of the current strategic plan may call or write Rockelle Hammond, office of the Secretary, CPSC, Washington DC 20207, telephone (301) 504-0800, (301) 504-0127, or may obtain it from the Commission's website at www.cpsc.gov.

Presentations should be limited to approximately ten minutes. Persons desiring to make presentations must submit the written text of their presentations to the Office of the Secretary not later than May 30, 2000. The Commission reserves the right to impose further time limitations on all presentations and further restrictions to avoid duplication of presentations. The hearing will begin at 10 a.m. on June 6, 2002 and will conclude the same day.

The Office of the Secretary should receive written comments on the Commission's agenda and priorities for fiscal year 2004, not later than May 23, 2002.

Todd Stevenson, Secretary
Consumer Product Safety Commission
