**LOG ENTRY SOURCE:** Patty Edwards *pe*

**COMMISSION ATTENDEES:** See attached

**NON-COMMISSION ATTENDEES:** See attached

**MEETING SUMMARY:** Stanley employees requested this meeting to discuss their current approach to product safety, in terms of juvenile furniture. This includes actions such as eliminating all foreign factories, getting GreenGuard certification on their products, eliminating phthalates from their paints, and having all cribs going through a design hazard analysis with an independent testing firm. Discussions on these efforts were held with staff from EXHR and Compliance.
