SUBJECT: World Health Organization (WHO), International Program on Chemical Safety (IPCS) "Workshop on the Use of Human Data in Risk Assessment"

DATE: May 9-10, 2005

TIME: 9:00 a.m. to 5:30 p.m. on May 9 and 10:00 a.m. to 1:00 p.m. May 10.

PLACE: Federal Institute for Risk Assessment, Berlin, Germany

ENTRY SOURCE: Michael A. Babich, HSHS

COMMISSION REPRESENTATIVE: Michael A. Babich, HSHS

NON FEDERAL REPRESENTATIVES: Attached

SUMMARY:

The meeting was requested by the International Program on Chemical Safety (IPCS). The purpose of the meeting was to discuss the use of human data from accidental poisonings, such as from poison control centers, in risk assessment. Speakers described their experiences regarding poison control center data (see Agenda). This was followed by general discussions on improving data collection and possible future activities.

RECEIVED BY THE SECRETARY
MAY 17 A 6:57

**IPCS WORKSHOP ON POISONS CENTRES AND THE USE OF HUMAN DATA IN
CONSUMER PRODUCT RISK ASSESSMENT**

9 - 10 May 2005

DRAFT AGENDA

1. Opening and Introduction
2. Objectives of the Workshop
3. Current status and challenges for the risk assessment for consumer products
(Experience from US, EU and Canada)
4. Progress on the use of human data in risk assessment (WHO and ECETOC)
5. The EU EIS-ChemRisks project (EC JRC IHCP)
6. Recent experiences with collection of human data (Germany, France, Japan,
IPCS)
7. Working Group Discussions
Development of a framework for better use of human data on exposures due to
intended and unintended uses and misuses of consumer products
 - Which data are needed to improve risk assessment of consumer products
 - What data can be provided by poison centres and clinical toxicology
 - How can data be provided by poison centres and clinical toxicology
8. Rapporteur's report on the "Possibilities for collaboration and future steps"
7. Conclusions and way forward

List of Invited Participants

Michael BABICH
Directorate of Health Sciences
US Consumer Product Safety Commission

Roberto BERTOLLINI
European Centre for Environment and Health
World Health Organization Regional Office for Europe

Rolf BREITSTADT
Degussa AG
Frankfurt, Germany

Alexander CAMPBELL
Guy's & St Thomas' Hospital Trust
London, United Kingdom

Panagiotis DASKERELOS
DG SANCO B4
European Commission

Alvaro DE CARVALHO
The Soap and Detergent Association
Washington, DC, USA

Charlotte DE ROOS
Bureau European des Unions de Consommateurs
Brussels, Belgium

Jacques DESCOTES
Centre Antipoison
Hôpital Edouard Herriot
Lyon, France

Herbert DESEL
Niedersachsen, Germany

Michael DOURSON
Toxicology Excellence for Risk Assessment
Cincinnati, OH, USA

Rita FITZPATRICK
Guy's & St Thomas' Hospital Trust
London, United Kingdom

Axel HAHN
Bundesinstitut für Risikobewertung (BfR)
Berlin, Germany

Pertti HAKKINEN
European Commission
Institute for Health and Consumer Protection
Ispra, Italy

Gerhard HEINEMEYER
Federal Institute for Risk Assessment
Berlin, Germany

Rolf HERTEL
Federal Institute for Risk Assessment
Berlin, Germany

Patricia KOUDAKJIAN
Eurofer
Brussels, Belgium

Yumiko KUROKI
Japan Poison Information Center
Ibaraki, Japan

Monique MATHIEU-NOLF
Centre Anti-poisons de Lille
Lille, France

Bette MEEK
Environmental Health Center, Rm. 145
Ottawa, Ontario, Canada

Chris MONEY
Exxon Mobil Petroleum & Chemical
Machelen, Belgium

Demosthenes PAPAMELETIOU
European Commission
Joint Research Centre Institute for Health and Consumer Protection
Ispra, Italy

Carlos RODRIGUEZ
Proctor & Gamble
Strombeek Bever, Belgium

Klaus SCHNEIDER
FoBiG Forschungs- und Beratungsinstitut - Gefahrstoffe
Freiburg, Germany

Dieter SCHWELA
European Commission
Joint Research Centre Institute for Health and Consumer Protection
Ispra, Italy

Rafael WAGNER
Giftinformationszentrum-Nord der Länder Bremen Hamburg, Niedersachsen und Schleswig-
Holstein, Universität Göttingen - Bereich Humanmedizin
Göttingen, Germany

Peter WAGSTAFFE
European Commission
Brussels, Belgium
